# TEAM MEETING

## WHAT TO BRING:

BIBLE

PEN

THREAD JOURNAL

1/3/12 LIST (BRANCH JOURNAL)

MATTHEW 9:38 LIST

STUDENT PROGRESSION (REVIEW MONTHLY)

## HOW OFTEN TO MEET:

2X PER MONTH

1.

### **Share a Meal.**

Eat together and catch up (Shared experience and intentionality) Check in on life in a structured way (Ex: Pick an emotion from a list and tell us why you feel that way, or ask a pointed question like "Any new information in your life?, etc.

2.

### **Focus on spiritual development**

Create a process that leads to a discussion around each leaders spiritual formation (Ex: Swap Thread Journals, etc.) Ask pointed questions that help you know where leaders are at spiritually

3.

### **Tell stories about kids**

Review each leaders list of 1/3/12 - Master Plan (Ex: Review Branch Journals, etc.) Have each leader share a story about time with a kid outside of an event. (Encourage I on I's)

4.

### **Plan for what's coming up**

Encourage Contact Work opportunities. (Can the team do Contact Work together this week? Does everyone have a role in the school?) Check in on last minute event details (Events should be planned early in the semester and team meeting should be used as a check point rather than a place to plan everything). Schedule CW, assign tasks and encourage leaders to commit to something specific. Train on any skills needed (Ex: CW, Camp).

5.

### **Pray!**

Review your Matthew 9:38 list. Add names of potential leaders to the list and pray for them. Pray for the needs of kids. Pray for the school and the community. Pray for each other.
